Cherry Trees Sheltered Scheme

Cherry Trees is located in Holt Drive off Mersea Road, Colchester.

There are 24 one-bedroom and 10 two–bedroom apartments in two storey buildings with stairs and 3 two-bedroom bungalows located in Holt Drive and Sexton Close. The apartments are set in attractive communal gardens with the bungalows benefiting from private gardens. Central to the site is a large communal hall with lounge & kitchen.

There are two external drying areas for the apartments, with mobility scooter storage and a small number of parking spaces nearby for residents and visitors.

All properties benefit from a 24 hour emergency response service provided by Helpline.

During weekdays, in office hours, our team of Assistant Housing Officers provide a specialist housing management service in sheltered schemes.

The rental charge will vary dependent on the size of the property.

The weekly rental charge includes a service charge for facilities management, our visiting officer team and the alarm call system. If you are on a low income you may be entitled to help with your housing costs.
